AMY M. HILL,
GRACE B. DOLE,
School Board.

SUPERINTENDENT'S REPORT

Mr. Chairman and Members of the School Board:

I hereby submit for your consideration my eleventh annual report of the Campton schools.

The schools opened in September with the following teachers in charge: viz., Mildred Hazeltine, Village; Leona P. White, Lower Village; Ethel Palmer, Beebe River Grammar; Doris L. Smith, Beebe River Primary; Josiah B. Kelley, Center; Louise Tolman, Livermore Falls; Eunice A. Baker, Blair; Mrs. Alice M. Gee, Bog; Viola M. Pray, Branch; and Eleanor Rock, West Road.

Mrs. Gee resigned at Christmas on account of illness and Beth Bolton was secured to take her place. Miss Bolton was in a hospital in the fall so could not open her school at Beebe River for which she was contracted.

The school building on the West Road was repaired a new toilet built, chimney repaired and the building painted inside.

All school buildings were cleaned during the summer vacation. Some minor repairs have been made on most of the school buildings.

The school building at Livermore Falls has been over crowded this year. If the school continues to grow, it would be a good plan to make what is now the wood room a part of the school room and build another wood-shed at the back of the main building. The tank for the chemical toilet should be made so that it may be emptied without bailing. The tank was not properly installed when first put in.

There is but one transportation route this year, namely, Beech Hill to Campton Bog school.

Three students are attending our schools for whom we receive tuition. Several others have attended for a few weeks at different times.

There are thirty-five resident pupils, this year, who are attending high school for whom tuition is paid.

The school district voted medical inspection at its last annual meeting. The examination of the school children was made by Dr. H. A. Cheney. He reported many defects to the parents which we hope may be corrected as far as possible at an early date.

The school census taken in September, reported 117 boys and 101 girls or a total of 218 children in town between the ages of five and sixteen. This is 24 more than were reported one year ago.

The school registers last June showed the following thirteen pupils with a perfect record for the year and who received a roll of perfect attendance at the grammar school graduation; viz., Ivan Saunders, Village School; Ruth Mitchell, Bog; Carl Mitchell, Clifton Moulton, Louise Moulton and Mildred Moulton, Livermore Falls; Eleanor Estabrook, Eunice Estabrook, Shirley Saunders, Corine Shepherd and Rupert Brown, Lower Village; and Dorothy Schofield, Beebe River Primary.

The five schools with the highest per cent of attendance are: Lower Village 96.8; Livermore Falls 97.15; Beebe Grammar 96.99; Village 96.8; and Blair 96.41. The school with the poorest attendance was the Center 85.96 per cent. The average for the district was 95.1 per cent. This is a good record. The Bog and Blair had but 358 sessions but some of the others had more than the required so that the average for the district was 360 sessions as required.

The teachers recorded 17 visits by the school board members, 228 by the superintendent of schools and 350 by citizens and others.

The school board has had six meetings during the year.

Several of the school buildings are in need of a coat of paint outside as well as in. Larger wood-rooms should be provided for some of the schools.

The school work as a whole is going very well. The work being done and the school spirit at the Center are worthy of special mention.

Last June there were fifteen pupils who completed the work in our eighth grade and entered high school in September.

I ask the co-operation and support of all that the greatest profit may be realized by our pupils on our school investment.

Respectfully submitted,

ALONZO J. KNOWLTON,

North Woodstock, N. H., January 20, 1930.
